Motion To Object to Settlement

Motion to Intervene as Plaintiff under rule 7042, rule 24(A) & (B)

Motion for Request for Admission Rule 36

Comes now, the Intervenor, Plaintiff Jonathan Lee Riches, moves this court to intervene as a Plaintiff under Fed. R. Civ P rule 24 (A) 2-4 as a UNCONDITIONAL matter of right. Zuber v. Allen, under rule 24 (B) - Permissive Intervention, Nevilles v. EEOC, under rule 7042 under Bankruptcy Procedure. I have a vested interest in this case, and I move to object to settlement offer. I was a former Circuit city employee in 2002 before I went to Federal prison for computer fraud. I worked in the Electronics Dept., I invested in Circuit city's 401 K plan and bought stock options. This case affects me as I lost all of my pension and was treated unfairly. Circuit city Stores violated my civil rights. I have documents, exhibits, and newly discovered evidence related to this case and can be reached or contacted at the below Address. I pray this honorable Bankruptcy Court will grant my Motions for relief.

Respectfully,
